

For patients prescribed  
FILSPARI® (sparsentan)

TRAVERE  
TotalCare®

## Start your FILSPARI® (sparsentan) treatment journey with confidence

Now that you and your doctor have decided FILSPARI is the right treatment for you, Traverre TotalCare® is here to support you along the journey. FILSPARI is a specialty drug that can only be filled at certain pharmacies called Specialty Pharmacies. The Specialty Pharmacy will deliver FILSPARI right to your door.

1

### Sign Two Forms

FILSPARI Patient Start Form

REMS Patient Enrollment Form

Your doctor's office will confirm FILSPARI coverage with your insurance company. Additional financial support is available to help.

2

### Complete monthly labs

Your recent labs may already qualify. If not, your doctor will order required labs

3

### Coordinate delivery to your home

The Specialty Pharmacy will be in touch to schedule monthly delivery of FILSPARI

### What you can do to avoid delays:

Be sure to answer or return missed calls from unfamiliar numbers

Be on the lookout for a call from a Traverre TotalCare® Nurse Educator. The Specialty Pharmacy will call to schedule delivery of FILSPARI

FILSPARI arrives at your home

REMS, Risk Evaluation and Mitigation Strategy.

Nurse Educators are available to answer questions about getting started on FILSPARI.

Call Traverre TotalCare® at 1-833-345-7727

## Travere TotalCare® Financial Support

### Personalized support to make treatment more affordable

**\$0 copay**  
for eligible  
commercially  
insured patients\*

- Most insurance plans provide coverage for FILSPARI® (sparsentan)
- If you don't have insurance or if your insurance doesn't cover enough for FILSPARI, additional support may be available
- If you have government-funded insurance, you can reach out to the Specialty Pharmacy for more information on support
- Travere TotalCare® offers free FILSPARI REMS lab testing at home for eligible patients

## Travere TotalCare® Nurse Educators

### Supporting your personal journey on FILSPARI treatment

After your doctor has completed the Patient Start Form, expect a call from a Nurse Educator who will walk you through the process of starting FILSPARI

Your Nurse Educator can:

- Help you start and stay on track with your FILSPARI treatment plan
- Connect you with financial support
- Guide you through the process of starting FILSPARI and receiving monthly refills
- Provide updates via text, email, or phone in a variety of languages, including Spanish and Mandarin
